That's only £32 per driver! Based on 5 drivers in a team

So what's it all about?

Karting is fast becoming one of Britain's most popular team building activities.

There are over 2 hours of action packed racing, which includes:-

- > Full safety briefing for all drivers followed by a 25 minute practice session
- > 2 Hour non-stop le-mans style race on a 900m international circuit
- > Race commentary, electronic timing, computerised scoreboards
- > Trophy presentation and bubbly for the top three teams on the podium
- > All safety equipment (helmet - overalls - gloves) provided
- > 320cc Prokart Twin Engine Karts capable of 70mph
- > Lap time print outs for every team
- > Diner serving hot & cold food and large covered balcony & spectator area

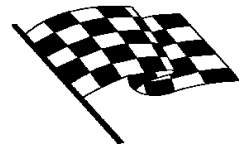

We recommend a team should consist of 4 or 5 drivers, with one driver appointed as captain. Up to 15 teams will then compete wheel to wheel for the top spot on the podium. This fun packed evening of karting is sure to be one you'll never forget, with the winning team getting the total donation raised for their chosen charity on top of the satisfaction of standing at the top of the podium.

You can enter a maximum of two teams. Each team entered will require a team name - the funnier the better. Spectators are welcome, for which there is no charge. We also welcome banners and flags etc, as it adds to the atmosphere. We recommend that you wear trainers or soft shoes.

All drivers must arrive in time for the safety briefing, otherwise they will not be allowed to race. All drivers must be at least 16 years of age
